FOR SPECIAL MOMENTS

Benvenuti al Ristorante Mercato

At Ristorante Mercato, located in the center of Kloten, the Italian way of life meets a deep passion for authentic cuisine. A Mediterranean atmosphere, excellent food and outstanding service are our top priorities.

The love for culinary arts is deeply rooted in the Italian soul. This is partly due to the central role food plays in daily life, but also thanks to the diverse regions and climates that provide an incredible variety of high-quality ingredients.

The Ristorante Mercato team will ensure your event. Whether private or professional is truly unforgettable. Our menu features many well-known and beloved Italian delicacies, including homemade pasta as well as exquisite meat and fish dishes. There is guaranteed to be something for every taste. We are happy to welcome groups of up to 80 people.

With us, you will experience authentic Italian cooking. We place great importance on the sustainable and ecological origin of our ingredients. That's why we exclusively use Swiss free-range eggs and flour from the Oberembrach mill for our homemade pasta and pizza dough.

From business get-togethers and large corporate events to family reunions, baptisms, first communions, or weddings – Ristorante Mercato is your partner for those very personal moments.

We look forward to supporting you in the planning and execution of your event!
